**TENTH INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56, the accompanying information is being submitted in accordance with 37 C.F.R. §§ 1.97 and 1.98.

The Examiner's attention is directed to copending application number 10/160,178, naming Daniel Ian Flitcroft et al. as inventors and filed on June 4, 2002. A non-final Office Action rejecting the claims of U.S. Application No. 10/160,178 was issued on February 7, 2008, in which the Examiner newly introduced U.S. Patent No. 6,352,205 to Mullins et al.

The document is being submitted after a first Office Action on the merits but prior to the closing of prosecution, therefore under 37 C.F.R. § 1.97 (c), a statement is enclosed.

I, the undersigned, hereby state in accordance with 37 C.F.R. § 1.97(e)(2) that U.S. Patent No. 6,352,205 to Mullins et al. was not first cited in any communication from a foreign patent office in a counterpart foreign application and, to my knowledge after making reasonable inquiry, was not known to any individual designated in 37 C.F.R. § 1.56(c) more than three (3) months prior to the filing of this Information Disclosure Statement.

Copies of the listed U.S. patents and U.S. patent application publications are not enclosed since the submission of such document is no longer required.

Since the above-identified copending application is available in the Patent Application Information Retrieval (PAIR) system, a copy of the copending application is not required to be submitted. By citing to the copending application, confidentiality is not waived and the Office is requested to maintain the confidentiality of the copending application under 35 U.S.C. § 122.

To assist the Examiner, the document is listed on the attached form PTO-1449. It is respectfully requested that an Examiner initialed copy of this form be returned to the undersigned.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
